

Corporate Memberships

Today we are launching our membership scheme. We are excited to offer some incredible benefits that will entertain your current clients, potential clients and your staff right on your doorstep.

We offer high quality hosting, affordable parking for guests and a dedicated member of staff to arrange the details of your event. We also offer opportunities to reach our audience by marketing your services in our brochures and programmes.

With 3 membership tiers we hope there will be something here for you!

“To lead Theatr Clwyd in this moment is thrilling. We are building a truly inspirational space where stories can be shared for generations to come in ways we can only begin to imagine.”
